02-07 MONDEO & FOCUS SERVICE CHECK UP

Servicing your vehicle at Dunedin City Ford is more than just an oil change.

It's a preventative maintenance program that enhances the reliability and longevity of your vehicle.

ONLY
\$199.00_{INC}

Our Ford factory trained technicians will inspect and replace your vehicles engine oil, filter and perform a lubrication service, check tyre pressure and wear pattern (if required we will rotate the tyres too), check and report on the condition of your brakes and suspension components and visually inspect fluid levels, wiper blades and the engine air filtration system. We will also add bars bugs to your windscreen washer. Finally, a visual safety check will be performed before you hit the road again.
